MOVE UP ↑

MOVE DOWN ↓

Some of you may have noticed that all menu items are no longer in this drop down. Reason is because all have been moved to another section of this page.

Limit Search to Date Range:

(use the following date format: mm/dd/yyyy)

Create Date

is after

+ add date range

Find Results Using Relative Date:

Create Date

is after

Days Ago

+ add range

Find Results With Numeric Range:

(Abstract Water Right) Quantity

between

and

+ add numeric range

Find Results Using Menu Values:

contains

+ add search term

Now the menu items have a separate drop down that a user can select instead of typing it.
