

Arizona Department of Water Resources

Meeting Announcement

The Arizona Department of Water Resources (Department) will hold two meetings on March 28th as part of the Planning Area Stakeholder Process for the West Basins Planning Area, which is located west of Phoenix (see attached map). These meetings are the second in a series of meetings to examine water resource demand and challenges for the area.

The goal of the first meeting is to initiate the examination of: 1) the background of the Planning Area, 2) water supply conditions for the Planning Area, and 3) water demand data for the municipal, agricultural, and industrial sectors. **We request that you RSVP** to this meeting by clicking [here](#), emailing mawhatley@azwater.gov, or by calling 602-771-4713. For planning purposes, if attending this meeting, please indicate which topics you would like to participate in.

The second meeting will include a presentation on water management in Arizona, as well as small group discussions to further explore issues related to water decline in the area. **We request that you RSVP** to this meeting by clicking [here](#), emailing mawhatley@azwater.gov, or by calling 602-771-4713.
