Re: Individual User Number 62-305028.0000, Corte Bella Golf Club

Dear Mr. Jackson:

This is an OFFICIAL NOTICE of your facility becoming an individual user as described under Chapter 5, section 5-112 of the Third Management Plan for the Phoenix Active Management Area. An "individual user" is a person or entity that receives water from a water provider for a non-irrigation use.

As an individual user, you will be directly responsible for complying with the conservation requirements for Corte Bella Golf Club. You will also be responsible for reporting the water used on an annual basis through the submittal of an Individual User's Annual Water Use Report.

If you have any questions regarding your new individual user status or conservation allotment, please call any industrial conservation program staff member at 602-771-8512.

Sincerely,

Jeff Tannler
