Gentlemen:

The Department of Water Resources issued drilling authority approximately 24 months ago for the well referenced by our file number on the label at the top of the form.

Our records show that this well has been drilled. The file does not contain a Completion Report that specifies the pump equipment installed.

There is no time limit by which you must install the pump equipment. However, if pump equipment has been installed, the law requires that a Completion Report be furnished to the well file.

If you have not as yet installed pump equipment, this is to advise that this letter constitutes the last reminder from this Department and that when you do install the equipment of your requirement to furnish the the required Completion Report per Arizona Revised Statute 45-600.

Please contact this office if further assistance or information is required.

Sincerely,

W. Don Maughan
Deputy Director

Gentlemen:

The Department of Water Resources issued drilling authority a year ago for the well referenced by our file number on the label at the top of this form. Our records show that this well has not yet been completed.

If it is your intention to complete the well, this is to advise that you must refile to do so. If the well has been completed, we require submission of the Log of the Well and the Completion Report. These forms were furnished at the time drilling authority was issued.

ARS 45-600 requires the driller to furnish a complete and accurate log within 30 days of completion of the drilling and a Completion Report within 30 days after the installation of pumping equipment in the well.

Specifically, if the well has been completed, we need the following report(s) to bring the well into full compliance with the law:

1. _____ Log of the well,

2. ✓ Completion Report.

We will appreciate your immediate assistance in this regard. Please contact this office if further assistance or information is required.

Sincerely,

Dear Well Owner:

This copy of Notice of Intention to Drill Well is returned to you for your records. Your driller has been mailed separately a Well Drilling Card, Well Drilling Report, and Completion Report.

A.R.S. 45-600 requires the driller to furnish this Department a complete and accurate log of the well within 30 days of completion of drilling, and a Completion Report within 30 days after installation of pumping equipment.

Also enclosed for your future use is a Change of Well Information Form. Per A.R.S. 45-593, the person to whom a well is registered shall notify this Department of a change in ownership of well and information pertaining to the physical aspects of the well to keep the well registration record current and accurate.

In the event it is necessary to change the location of the proposed well, you should obtain the written permission of the Department of Water Resources before proceeding with the drilling.

Very truly yours,
