COMPLETION REPORT

1. A Completion Report is to be filed with the Department within 30 days after installation of pump equipment.
2. The tested pumping capacity of the well in gallons per minute for a non-flowing well should be determined by measuring the discharge of the pump after continuous operation for at least four hours and for a flowing well by measuring the natural flow at the land surface
3. Drawdown of the water level for a non-flowing well should be measured in feet after not less than four hours of continuous operation and while still in operation and for a flowing well the shut-in pressure should be measured in feet above the land or in pounds per square inch at the land surface.
4. The static groundwater level should be measured in feet from the surface immediately prior to the well capacity test

Dear Ms Odle

Pursuant to our phone conversation this date, I am enclosing the papers for you to complete as follows

1. Statement of ownership form to change the Baird well into your name and address. Also, please be aware that you will still need to register that well before June 12, 1982. I will put you on the mailing list so that you will receive a registration form automatically.
2. Affidavit form. On this form we will need three items
 - A. A statement regarding legal irrigation history between September 1, 1947 and September 1, 1951 (when the Salt River Valley Critical Area was established), of the 160 acres in the SW $\frac{1}{4}$ of Township 1 N, Range 1 E, Section 30
 - B. A statement regarding legal irrigation history between January 1, 1975 and January 1, 1980 (when the Active Management Area was established by the new Groundwater Code) of the 160 acres mentioned above
 - C. And a statement regarding the fact that you are filing for or have filed for Grandfathered Rights on these acres of land.

For your information I am also enclosing copies of the pertinent Statutes, a copy of the Baird well file and a copy of the Map concerning the Salt River Valley Critical Area.

Once these things are clarified and we receive the Affidavit we will be able to continue processing your intent to drill

Sincerely,

A handwritten signature in cursive that reads "Marge Watson".
