Feb. 5, 1987

DEAR MS. WATSON,

1. I called the county (or state) license Department and found out D&R Drilling is no longer licensed. I then called Telephone Information and they had no listing for D&R Drilling at the address listed. I then asked them if they had a listing for a Mr. D. Briggs or Biggs. No listing. Made calls on Feb. 4, 1987.

2. The 1981 well produces approx. 3 gal. of water per. minute and must be turned off at 45 min. at longest. This is the best of the wells. The other two (2) are very poor and can only be run for 15 min. at approx. 1 1/2 gal. per. minute. That is why the Welch's drilled the 3rd well in 1981.

MICROFILMED

I understand that the man that drilled the well in 1981 had cancer and is probably no longer with us. Reason for no ~~no~~ licence with state etc.

3. I'm sending you ~~the~~ original papers that I received from the Welshes, post marked Feb. 12, 1987 and hope they will be of value.

I am trying to fill out forms to the best of my ability. I sincerely hope this will be satisfactory.

Sincerely,
Glen L. Foster

MICROFILMED

DEAR SIR,

I purchased 5 Acres with
A mobile home plus 3 wells
July of 1985 from the
original owners MR. R.T. Welsh
and Mrs. Kay H. Welsh. They
had the wells put in. The
Welsh's have since moved
to A mobile home in
Mayer, Arizona. Their
address is P.O. Box 994.

I hope that this paper
work is okay. I moved here
from the state of Washington
and was not exposed to
this there.

Glen L. Foster
